Prerequisites	Save the original <i>proof of purchase</i> and manufacturer's warranty.
Step 1	Call CanAssistance Inc. at 1-888-235-2645 to report the event as soon as it happens or as soon as reasonably possible.
Step 2	Fill out the claim form that you will receive from the <i>assistance provider</i> and forward it to the <i>insurer</i> as soon as possible, ideally within 90 days of the event, failing which the <i>insurer</i> may deny your claim if the <i>insurer</i> was not informed of the loss and is thereby prejudiced.

Step 3

Provide the *insurer* with the following support documents as soon as possible, ideally within 90 days of the event, failing which the *insurer* may deny your claim if the *insurer* did not receive the necessary proof and information and is thereby prejudiced:

If the *insurer* rejects the claim, it will notify the *cardholder* within 60 days of receiving all documents required by the *insurer* in support of the claim.

IF A CARDHOLDER KNOWINGLY MAKES A CLAIM WHICH IS FALSE OR FRAUDULENT IN ANY WAY, SUCH CARDHOLDER SHALL NOT BE ELIGIBLE FOR THE BENEFITS OF SUCH COVERAGE AND FOR THE PAYMENT OF THE CLAIM SUBMITTED UNDER THIS COVERAGE.

4. Repair or replacement of mobile devices

a) Special Terms and Conditions

Devices and risks covered

This coverage protects *mobile devices* from risks of *breakage*, theft or loss.

For a *mobile device* to be covered, the entire *purchase price*:

- › must be charged to your *account*; or
- › be financed by a *plan* of which all the monthly payments are charged to your *account*.

If the device has cellular transmission capabilities, in order to be covered, it must also have been activated by a *service provider*.

Mobile devices which you purchase to offer as a gift are also covered. If a claim must be made, you must be the person to submit it, and not the person who received the gift.

Duration of coverage

Your coverage starts on the later of the following dates:

- › the 60th day following the date of purchase of your *mobile device*;
- › the date on which the second **consecutive** monthly payment under your *plan* is charged to your Mastercard *account* (where a part or the full amount of the *purchase price* is financed by the *plan*).

Your coverage comes to an end on the earlier of the following dates:

- › 2 years after the purchase date of the *mobile device*;
- › when a monthly payment under your *plan* is not charged to your *account* (where a part or the full amount of the *purchase price* is financed by the *plan*).

Amount of coverage (maximum \$1,000)

Amount Covered

In the event of a *breakage* to, or the loss or theft of your covered *mobile device*, the Amount Covered will be equal to the lesser of the following amounts:

- › the Replacement Cost of the *mobile device*; or
- › the Repair Cost charged to the *account* for the *mobile device*; or
- › the Depreciated Value.

Meaning of terms:

- › **Replacement Cost** is the cost for the purchase, including taxes, of a device of the same brand and model as the covered *mobile device*. If this covered *mobile device* is no longer available, the replacement device must have the same functions and features and be of similar quality.
- › **The Repair Cost** is the amount charged, including taxes, by a repair service authorized by the manufacturer of the covered *mobile device* to restore it to good working order. The type of repair and the repair service are chosen by the *insurer*.
- › **The Depreciated Value of the *mobile device*** is calculated by deducting an amount from the *purchase price* equal to a rate of depreciation of 3% of the *purchase price* per month for the number of months ended between the date of purchase until the date of the *breakage*, loss or theft.

For example:

- › You buy a *mobile device* on July 1 for the *purchase price* of \$575 (\$500 + taxes).
- › The following March 15, you submit a claim for payment.
- › The Depreciated Value is calculated as follows:

Purchase price	\$575
Less the depreciation	–\$138 (8 months x \$575 x 3%)
Depreciated Value	<u>\$437</u>

If the Replacement Cost and the Repair Cost are both greater than \$437, the Amount Covered will be that Depreciated Value.

Amount of benefit payable

The amount of the benefit payable is equal to the Amount Covered less the Deductible, **subject to a maximum of \$1,000.**

The amount of the Deductible is based on the value of the *mobile device*, excluding the applicable taxes:

Value of device	Deductible
Between \$0 and \$200	\$25
Between \$201 and \$400	\$50
Between \$401 and \$600	\$75
More than \$601	\$100

In our example, since the value before taxes is \$500, the Deductible is \$75 and the amount of the benefit payable is \$362 (\$437 - \$75).

Maximum number of payable claims

The maximum number of claims that will be accepted under the repair or replacement warranty for *mobile devices* is one claim per year and two claims every four years.

Recipient of Benefits

The *insurer* may decide, at its option, to indemnify you for the repair or the replacement of the covered *mobile device*. If benefits are payable by the *insurer*, they will be paid to the *cardholder*.

b) CAUTION – Exclusions, Limitations and Reductions

(i) Articles not covered

The repair or replacement warranty for *mobile devices* does not cover:

- › accessories (whether they are included in the manufacturer's package or purchased separately);
- › the batteries;
- › devices purchased for professional or commercial use, or for resale;
- › used, second-hand or reconditioned devices;
- › modified devices;
- › devices shipped to you in new condition, during the shipping.

(ii) Circumstances in which no benefit is payable

The insurance provides for no indemnity for *breakage*, loss or theft resulting directly or indirectly from the following causes:

- › power surges or other electrical irregularities;
- › any aesthetic damage with no effect on the functioning of the device;
- › problems due to the software, the *service providers* or the network;
- › theft or any other intentional or criminal acts by the *cardholder*, his spouse or children;
- › hostilities of any kind (including war, invasion, rebellion, insurrection, *acts of terrorism*, etc.);
- › confiscation by the authorities, contraband or illegal activities;
- › normal wear and tear;
- › earthquakes, radioactive contamination or floods.

(iii) Reasonable precautions and use

The *cardholder*, or user of the device, must take all reasonable measures to prevent *breakage* of the *mobile device*. The *cardholder* must also take reasonably necessary measures to prevent the theft of the device. The *insurer* may refuse to accept the claim if such measures have not been taken.

(iv) Damages caused by a covered article

Coverage does not include any form of indemnity for personal injury, property damage, indirect, punitive or exemplary damages or legal fees, even if directly or indirectly caused by a covered *mobile device*.

(v) Loss of enjoyment

The coverage provides no form of indemnity for loss of enjoyment of the *mobile device*.

(vi) Maximum number of claims

No benefit shall be payable if you have already received indemnification once (1) in the past 12 months, under the repair or replacement warranty for *mobile devices*, or twice (2) in the past four (4) years.
