Original Manufacturer’s Warranty and Multiple Coverage

The *Purchase Protection and Mobile Devices Insurance* does not replace the original manufacturer’s warranty. If a *breakage* is covered by the manufacturer’s warranty, the manufacturer must honour its warranty. The *Purchase Protection and Mobile Devices Insurance* will not pay benefits for a *breakage* covered by the original manufacturer’s warranty.

If the insured has other individual or group insurance providing the same coverage as the *Purchase Protection and Mobile Devices Insurance*, the payment of benefits under the *Purchase Protection and Mobile Devices Insurance* plan will be coordinated with the other *insurer* such that the total amount of the benefit does not exceed the total amount claimed. Regardless of any similar clause that may be contained in other insurance contracts, the insured will not be entitled to payment of any amounts hereunder until the insured has claimed the maximum benefit available under the other insurance coverage. The *insurer* may ask the *cardholder* to provide proof of any claims filed with other *insurers*.

The benefits payable by the *insurer* under the *Purchase Protection and Mobile Devices Insurance* will be reduced by the amount reimbursed, paid or assumed by any another party. The *Purchase Protection and Mobile Devices Insurance* cannot be used to reduce the liability of any person or party implicated in the event that gave rise to a claim.

(Continued on next page)

**Failure to Provide Requested Proof
or Documentation**

The *insurer* can refuse claims under the *Purchase Protection and Mobile Devices Insurance* if the insured does not submit the insurance claim form or supporting proof within the applicable time limit, unless it is not reasonably possible to do so, and if the *insurer* is prejudiced by the delay.

IF A *CARDHOLDER* KNOWINGLY SUBMITS A FALSE OR FRAUDULENT CLAIM, THIS *CARDHOLDER* WILL NOT BE ELIGIBLE TO THE BENEFITS OF THIS COVERAGE, NOR TO THE PAYMENT OF ANY CLAIM SUBMITTED IN RELATION TO THIS COVERAGE.

4. Repair or replacement of mobile devices

a) Special Terms and Conditions

Devices and risks covered

This coverage protects *mobile devices* from risks of *breakage*, theft or loss.

For a *mobile device* to be covered, the entire *purchase price*:

- › must be charged to your *account*; or
- › be financed by a *plan* of which all the monthly payments are charged to your *account*.

If the device has cellular transmission capabilities, in order to be covered, it must also have been activated by a *service provider*.

Mobile devices which you purchase to offer as a gift are also covered. If a claim must be made, you must be the person to submit it, and not the person who received the gift.

Duration of coverage

Your coverage starts on the later of the following dates:

- › the 60th day following the date of purchase of your *mobile device*;
- › the date on which the second **consecutive** monthly payment under your *plan* is charged to your Mastercard *account* (where a part or the full amount of the *purchase price* is financed by the *plan*).

Your coverage comes to an end on the earlier of the following dates:

- › 2 years after the purchase date of the *mobile device*;
- › when a monthly payment under your *plan* is not charged to your *account* (where a part or the full amount of the *purchase price* is financed by the *plan*).

Amount of coverage (maximum \$1,000)

Amount Covered

In the event of a *breakage* to, or the loss or theft of your covered *mobile device*, the Amount Covered will be equal to the lesser of the following amounts:

- › the Replacement Cost of the *mobile device*; or
- › the Repair Cost charged to the *account* for the *mobile device*; or
- › the Depreciated Value.

Meaning of terms:

- › **Replacement Cost** is the cost for the purchase, including taxes, of a device of the same brand and model as the covered *mobile device*. If this covered *mobile device* is no longer available, the replacement device must have the same functions and features and be of similar quality.
- › **The Repair Cost** is the amount charged, including taxes, by a repair service authorized by the manufacturer of the covered *mobile device* to restore it to good working order. The type of repair and the repair service are chosen by the *insurer*.
- › **The Depreciated Value of the *mobile device*** is calculated by deducting an amount from the *purchase price* equal to a rate of depreciation of 3% of the *purchase price* per month for the number of months ended between the date of purchase until the date of the *breakage*, loss or theft.

For example:

- › You buy a *mobile device* on July 1 for the *purchase price* of \$575 (\$500 + taxes).
- › The following March 15, you submit a claim for payment.
- › The Depreciated Value is calculated as follows:

Purchase price	\$575
Less the depreciation	- \$138 (8 months x \$575 x 3%)
Depreciated Value	<hr/> \$437

If the Replacement Cost and the Repair Cost are both greater than \$437, the Amount Covered will be that Depreciated Value.

Amount of benefit payable

The amount of the benefit payable is equal to the Amount Covered less the Deductible, **subject to a maximum of \$1,000.**

The amount of the Deductible is based on the value of the *mobile device*, excluding the applicable taxes:

Value of device	Deductible
Between \$0 and \$200	\$25
Between \$201 and \$400	\$50
Between \$401 and \$600	\$75
More than \$601	\$100

In our example, since the value before taxes is \$500, the Deductible is \$75 and the amount of the benefit payable is \$362 (\$437 - \$75).

Maximum number of payable claims

The maximum number of claims that will be accepted under the repair or replacement warranty for *mobile devices* is one claim per year and two claims every four years.

Recipient of Benefits

The *insurer* may decide, at its option, to indemnify you for the repair or the replacement of the covered *mobile device*. If benefits are payable by the *insurer*, they will be paid to the *cardholder*.

b) CAUTION – Exclusions, Limitations and Reductions

- › earthquakes, radioactive contamination or floods.

(iii) Reasonable precautions and use

The *cardholder*, or user of the device, must take all reasonable measures to prevent *breakage* of the *mobile device*. The *cardholder* must also take reasonably necessary measures to prevent the theft of the device. The *insurer* may refuse to accept the claim if such measures have not been taken.

(iv) Damages caused by a covered article

Coverage does not include any form of indemnity for personal injury, property damage, indirect, punitive or exemplary damages or legal fees, even if directly or indirectly caused by a covered *mobile device*.

(v) Loss of enjoyment

The coverage provides no form of indemnity for loss of enjoyment of the *mobile device*.

(vi) Maximum number of claims

No benefit shall be payable if you have already received indemnification once (1) in the past 12 months, under the repair or replacement warranty for *mobile devices*, or twice (2) in the past four (4) years.

c) Filing a Claim

NOTE: The *cardholder* must immediately notify the police of a theft or act of vandalism and obtain a report.

Prerequisites	Save the original <i>proof of purchase</i> and manufacturer's warranty.

Step 2	Fill out the claim form that you receive from the <i>assistance provider</i> and return it as soon as possible, ideally within 90 days of the event. If the form is not returned within 90 days and this causes prejudice to the <i>insurer</i> , it may refuse to accept your claim.
Step 3	Submit the supporting documents listed below to the <i>assistance provider</i> as soon as possible, ideally within 90 days of the event. If the supporting documents are not received by the <i>insurer</i> within the said 90 days and this causes prejudice to the <i>insurer</i> , it may refuse to accept your claim. Supporting documents: <ul style="list-style-type: none">› the <i>proof of purchase</i>;› the date and time you reported the loss or theft to your <i>service provider</i>, where applicable;› a copy of the original manufacturer's warranty;› a copy of the written estimate of the cost of repair, where applicable;› the monthly statement of your <i>account</i> showing the transaction, where the entire cost for the purchase of your <i>mobile device</i> was charged to your <i>account</i>;

- › proof that the monthly payments under your *plan* were charged to your *account* without interruption, where the purchase of your *mobile device* is financed by a *plan*;
- › any police, fire or claims adjuster's report, as applicable;
- › any other documentation which the *insurer* may consider necessary regarding the purchase of the *mobile device*, the event and the circumstances surrounding the *breakage*, loss or theft, as well as the cost of repairs or replacement.

In some cases, we may ask you to send us the damaged *mobile device* at your expense. The *cardholder* is responsible for paying the shipping fees.

Step 4

If the *insurer* accepts the claim, it will inform the *cardholder*, no later than 60 days following its receipt of all the documents requested by it in support of the claim, of its intention to indemnify for the repair or replacement of the *mobile device*.

If the *insurer* rejects the claim, it will notify the *cardholder* no later than 60 days following its receipt of all the documents requested by it in support of the claim.

Step 5

If the *insurer* accepts the claim, you may replace or repair the *mobile device*. The benefits will be paid as soon as we receive proof that the cost of the replacement or repair has been charged to the *account*.

IF A CARDHOLDER KNOWINGLY SUBMITS A FALSE OR FRAUDULENT CLAIM, THIS CARDHOLDER WILL NOT BE ELIGIBLE TO THE BENEFITS OF THIS COVERAGE, NOR TO THE PAYMENT OF ANY CLAIM SUBMITTED IN RELATION TO THIS COVERAGE.
