Here are the 10 important facts you need know about loan insurance

1. There are 3 types of loan insurance coverage

1 In the event of your death, **life insurance** will help repay all or part of the balance of your mortgage loan, thereby freeing your family from one of the many obligations that come with the passing of a loved one.

2 **Critical illness insurance** also helps repay all or part of your loan if you are diagnosed with one of the following serious illnesses:

- › Cancer
- › Heart attack
- › Stroke

Moreover, **accidental dismemberment insurance** sees to the repayment of all or part of your loan if you lose a limb or permanently and irreversibly lose the use of a limb following an accident.

3 If you become unable to work or complete typical tasks for someone of your age due to an injury or illness, **disability insurance** can soften the blow of lost income by helping you make all or part of your mortgage payments. The disability must last at least 60 days before benefits can be paid out.

You can sign up for all three types of coverage or choose one or two. It's up to you!

However, you must sign up for life insurance to be eligible for critical illness or disability insurance.

You will find specific information for each protection in sections 4, 5, 6 and 7 of the insurance certificate.

2. Loan insurance covers the insured balance or insured payment of your loan, in whole or in part

For life insurance or critical illness and accidental dismemberment insurance, the insured balance is the balance of your mortgage loan as at the date of death or diagnosis of critical illness or accidental dismemberment, based on the insured percentage selected at enrolment and up to the maximum amount for that type of coverage (life: \$1,000,000; critical illness and accidental dismemberment: \$150,000).

For disability insurance, the insured payment is the payment of your mortgage payment, based on the insured percentage selected at enrolment and up to the maximum amount of \$3,000 per month.

› If the insured balance of your loan is **\$300,000 or less**, it will be 100% covered.

This means that in the event of death, diagnosis of a critical illness or accidental dismemberment, we will cover the insured balance of the loan at the time of the incident.

In the event of disability, we will cover the insured loan payment.

› If the insured balance of your loan is **greater than \$300,000**, you can opt to insure 50% or 100% of your loan.

This means that in the event of death, diagnosis of a critical illness or accidental dismemberment, we will cover the insured balance of the loan at the time of the incident according to the percentage selected.

In the event of disability, we will cover the insured loan payment according to the percentage selected.

The insurance percentage selected applies to all types of coverage you sign up for.

Maximum amount payable for each type of coverage

The amount payable for a claim cannot exceed the maximum for each type of coverage.

Life insurance	Critical illness and accidental dismemberment insurance	Disability insurance
\$1,000,000	\$150,000	\$3,000/month

If you are refinancing a loan and previous insurance coverage is recognized, we will apply the insurance percentage selected (100% or 50%) at refinancing on the insured balance of the previous loan without exceeding the maximum amount payable for each coverage.

For example:

	Insured amount/payment at refinancing	After refinancing
Loan amount	\$173,000	\$325,000
Loan payment	\$975	\$1,620

(cont.)

	Insured at 100%	Insured at 50%
Insured balance for life insurance	\$173,000	(\$173,000 X 50%) \$86,500
Insured balance for critical illness and accidental dismemberment insurance	\$150,000	(\$150,000 X 50%) \$75,000
Insured payment for disability insurance	\$975	(\$975 X 50%) \$487.50

See sections 3, 4.1, 5.4, 6.2, 7.3 and 11 of the insurance certificate for more details on the amount we pay for each protection.

3. Loan insurance involves exclusions

We may refuse to pay a claim because of the exclusions set out in the insurance certificate.

Please review them immediately. We've summed them up here for you:

The specific and more detailed exclusions concerning each protection as well as the general exclusions are described in sections 4.2, 5.1.1, 5.2.1, 5.3.1, 7.2 and 8 of the insurance certificate.

4. You must meet certain criteria to be insured

To be eligible, you must, at the time of enrolment:

For life insurance:

- › Be 18 to 64 years old, inclusively;
- › Be living in Canada or the United States;
- › Be a borrower, co-borrower, guarantor or endorser of the insured loan.

For critical illness and accidental dismemberment insurance:

- › Have signed up for life insurance.

For disability insurance:

- › Have signed up for life insurance; and
- › Be employed and have worked 60 hours or more within the last 4 weeks for compensation; or
- › If you are self-employed, you must have generated a gross income of at least \$10,000 during the past fiscal year.

You may NOT apply for disability insurance on your loan if you:

- › Are on unemployment;
- › Are on a work stoppage;
- › Are jobless;
- › Receive income replacement payments (due to a disability, parental leave, work-related accident, etc.).

However, you can apply to add this type of coverage when you meet the eligibility criteria for indicated above.

Depending on your age and the amount of coverage requested, we will ask you some questions about your state of health and lifestyle.

 See section 2 of the insurance certificate for more information.

5. The insurance premium payable is fixed for the duration of the loan

The premium is the amount you pay in order to be insured. As long as the terms and conditions of your loan do not change, your life, critical illness and accidental dismemberment insurance premiums will remain the same.

However, your disability insurance premium may change if your mortgage payment amount is adjusted.

We reserve the right to amend our premium rate scales at any time. If we do so, the premiums charged to all our insureds will change.

Your premium rate is based on a number of factors, including:

- › The insured amount;
- › Your age when you sign the insurance application;
- › Your sex;
- › Your use of tobacco products.

The insurance taxes of your Canadian province of residence will also apply.

With some exceptions, your insurance premium is included in your mortgage payment. It is therefore collected as part of the same transaction.

SAMPLE PREMIUM CALCULATION

William, 38-year-old man, non-smoker

\$375,000 mortgage

Monthly payments of **\$1,800**

Insured at 100%, life and disability insurance

Age	Life (Rate per \$1,000)					Disability (Rate per \$10)
	\$0 to \$150,000	\$150,001 to \$1,000,000				\$0 to \$3,000 per month
		All	NSM	SM	SMF	
18-25	0.12	0.12	0.19	0.09	0.14	0.18
26-30	0.12	0.12	0.20	0.09	0.16	0.18
31-35	0.14	0.14	0.22	0.12	0.19	0.25
36-40	0.21	0.20	0.27	0.18	0.24	0.30

Life insurance premium calculation

(Insured amount/\$1,000) X premium rate X taxes on insurance by province (Quebec: 9%)
(\$375,000/\$1,000) X 0.20 X 9% = \$81.75

Calculating the premium – Disability insurance

(Insured amount/\$10) X premium rate X taxes on insurance by province (Quebec: 9%)
(\$1,800/\$10) X 0.30 X 9% = \$58.86

Approximate total monthly premium: \$81.75 + 58.86 = \$140.61

 Consult the insurance certificate for premium rates and nbc.ca for tax rates.

6. Duration of insurance

Start

The insurance starts on the later of the following dates:

- The date the insurance application is signed; or
- Depending on the choice indicated on the application:
 - › The loan approval date; or
 - › The final loan disbursement date (may not be more than 6 months after approval); or
 - › For a new construction with single disbursement, the final loan disbursement.

If you are required to provide proof of insurability, we will notify you in writing of our decision within 30 days of receiving the documents needed to analyze your insurance application.

End

Insurance generally remains in effect for the entire loan duration, unless you decide to terminate your coverage.

Other circumstances also lead to the termination of the insurance, like refinancing, non-payment of premiums or when you reach the age of 70.

 See section 9 of the insurance certificate for more information.

7. You'll have access to temporary accident coverage while we are studying your application

While we are analyzing your insurance application, you'll be covered in the event of accidental death, dismemberment or disability (depending on the coverage selected).

See section 2.2.3 of the certificate for the definition of an accident and details of temporary coverage in the event of an accident.

8. We can refuse a claim and cancel your insurance if you make a false declaration

You must always provide accurate information on your health status, lifestyle and tobacco use, and any other information we deem necessary.

If, during a claim or at any other time during the insurance period, we receive information that differs from the information you initially provided, **we could refuse your claim and retroactively cancel your insurance** from its start date.

See sections 2.2, 2.2.1 and 2.2.2 of the insurance certificate for more information.
