

## SUMMARY OF THE TERMS AND CONDITIONS OF THE CREDIT CARD (information box)

<b>Annual interest rates</b>	<b>Regular interest rates:</b>		
	<b>Cards</b>	<b>Purchases</b>	<b>Cash advances and balance transfers</b>
	mycredit, Allure, Edition, MC1, ECHO Cashback, Escapade, Ovation Gold, Platinum, World and World Elite	<b>20.99%</b>	<b>22.49%</b>
	Syncro	Prime rate + <b>4.00%</b> (minimum rate: <b>8.90%</b> )	Prime rate + <b>8.00%</b> (minimum rate: <b>12.90%</b> )
	The prime rate is the annual variable interest rate that we announce publicly from time to time, which is used to determine the interest rate on demand loans we grant in Canadian dollars. It can be found on our website at <a href="http://www.nbc.ca">www.nbc.ca</a> . Minimum rates are the interest rates in effect as at February 19, 2024.		
	<b>Reduced rates:</b>	<b>Purchases</b>	<b>Cash advances and balance transfers</b>
	Allure, Edition	<b>14.50%</b>	<b>14.50%</b>
	Transactions charged to your account accrue interest at the annual interest rate. Regular rates apply as of the day the card is issued, unless a promotional or reduced rate applies.		
	<b>Increased rates:</b>		
	<b>Cards</b>	<b>Purchases</b>	<b>Cash advances and balance transfers</b>
mycredit, Allure, Edition, MC1, ECHO Cashback, Escapade, Ovation Gold, Platinum, World and World Elite	<b>25.99%</b>	<b>27.49%</b>	
Syncro	Increased rates correspond to the interest rate in effect at the time of the <b>2<sup>nd</sup></b> missed payment, increased by <b>9.00%</b> .		
Your interest rates will rise to the increased rates if you do not make your minimum payment by the due date twice over a <b>12-month</b> period. The increased rates will take effect on the <b>3<sup>rd</sup></b> statement period following the <b>2<sup>nd</sup></b> missed payment. The increased rates will apply to your account balance until the minimum payment is made by the due date indicated on the monthly statement for <b>9</b> consecutive months. After this period, the regular rates will apply, regardless of whether a promotional or reduced rate was in effect prior to the rate increase. Any missed payment during a <b>12-month</b> period is counted. A missed payment that has already resulted in an increase in your rates may therefore be counted twice if another missed payment occurs in the next <b>12</b> months.			
<b>Interest-free period (grace period)</b>	<b>Purchases</b> You have a grace period of <b>21</b> days following the end of each statement period to reimburse the purchases made during this statement period. The grace period ends on the due date shown on each statement. If you pay off your purchases in full before this date, you will not owe any interest. If you do not pay off your total balance before the due date, interests on these purchases will be charged on your next statement. Interest will be calculated from the date the purchases were charged to the account until the balance is paid in full.		
	<b>Cash advances</b> There is no grace period for cash advances. Interests begin to accrue the day the cash advance is made.		
<b>Minimum payment</b>	If you reside in the province of Quebec, your minimum payment corresponds to <b>5%</b> of your account balance. If you reside in a province other than Quebec or a territory, your minimum payment corresponds to <b>2.5%</b> of your account balance. Special conditions to the minimum payment: - Any late payment is added to the minimum payment amount. - If the minimum payment calculation is less than <b>\$10</b> , the minimum payment will be <b>\$10</b> . - If the total balance of your account is less than <b>\$10</b> , the total balance represents the minimum payment.		
<b>Foreign currency transactions</b>	A transaction made in a foreign currency will appear on your statement in Canadian dollars. To convert the amount of a transaction in a foreign currency to Canadian dollars, we use the Mastercard daily exchange rate. The conversion takes place at the latest of the date the transaction is made or, the date the transaction is posted to your account. A <b>2.5%</b> fee will then be charged on the amount converted in Canadian dollars. A transaction includes a debit or a credit to your account. The applicable exchange rate may therefore be different depending on the date and time of the transaction.

#### 5.1 Insurance coverage

I apply to enroll in the CCPPP coverage plan selected in section 3. The CCPPP benefits may, for example, totally or partially reimburse my minimum monthly payments owing on the credit card account or the account balance, depending on the selected plan, and subject to the terms and conditions set out on the following page.

The CCPPP is optional. The insurance coverage under the CCPPP is described in detail in the insurance certificate. As the primary cardholder of the credit card account, I understand that I am the person insured under this insurance.

The insurance coverage is provided by the insurer: National Bank Life Insurance Company. Premiums are imposed by the insurer.

If I request the cancellation of the CCPPP on the 15th of May, I will be covered until the 31st of May, but no premium will be charged to my statement for the period of the month of May.
